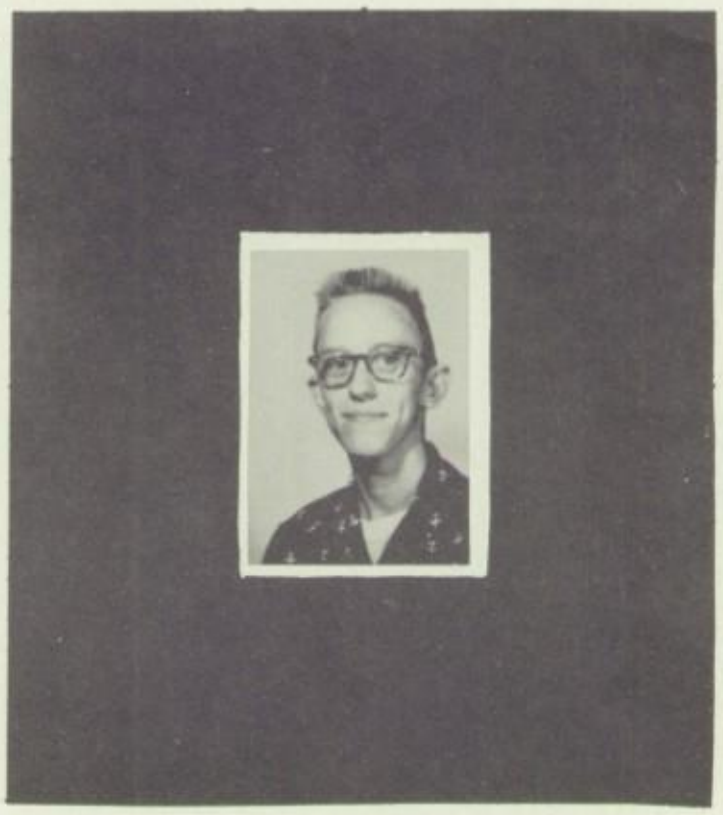
# DEDICATION



We, the Seniors of 1957, dedicate the 1956-1957 "Panther" to the memory of Karl James Bodecker, son of Mr. and Mrs. George Bodecker.

In May 1955, Karl met an untimely death. He was an outstanding student and took an interest in extra-curricular activities.

He will always be remembered fondly by every classmate and friend.

# 1957 PANTHER

THE PAST THIRTEEN YEARS HAVE BROUGHT TREMENDOUS CHANGES IN THE AUTOMOBILE INDUSTRY. THOSE SAME YEARS HAVE BROUGHT VAST DIFFERENCES IN THE LIVES OF THE SENIOR CLASS OF 1957. WE HAVE STRUGGLED THROUGH INFANCY AND CHILDHOOD, AND WE ARE NOW ALMOST ADULTS. WE HOPE THAT OUR MODELS OF 1957 WILL BE JUST AS ATTRACTIVE AND USEFUL AS THOSE IN THE CAR FIELD.

WE'D LIKE YOU TO JOIN US ON THE HIGHWAYS OF APLINGTON HIGH SCHOOL. WILL YOU GIVE US YOUR ATTENTION WHILE YOU NOTE OUR PROGRESS

# SUPERINTENDENT

Class of 1957:

You have spent the past four years in the factory of Aplington High School and you are now ready for the highway of life as a 1957 model.

The highway ahead is full of CURVES (Carelessness, Uncharitableness, Recklessness, Vices, Errors,and Selfishness) which must be met with caution in observing the rights of others.

The factory crew extends its best wishes for success in your drive through life.

D G Keoppel

# PRINCIPAL

To The Students:

It's the performance that counts! On the highway or in the schoolroom, the sleek, external appearance rated high, it is true. But of far deeper consequence is the actual performance of the automobile--or the performance of the high school student. TOP PERFORMANCE should be our goal!

Some say that the car of the future may have its speed and steering automatically controlled by electronic devices. Perhaps there will be better ways of direction extended to human life, too. Until such day arrives, 1957 goals and values should be of the highest quality.
